THE PRINCIPAL'S MESSAGE

We have begun the Second Quarter of the school year and the school is hopping as usual. The CHS team is thrilled with the success of our students during the first quarter. In the classroom, our kids hit the ground running. Outside of school, our students have been extremely successful in a variety of extracurricular venues. Please keep looking at our announcements and il.8to18.com/bchs for current events and success stories. With the start of second quarter comes the beginning of our scheduling process for the 2018-2019 school year. [Click here](#) for a link to our most recent 2018-2019 schedule update. Please continue to be on the lookout for scheduling information and updates out of our student services department in the coming weeks.

Checking school student email is an expectation at CHS and we are trying to train our students to make this a part of their daily routine. It is a practice that we are confident that will help them in their futures. Please remind your child to check their school email account daily for important information and announcements. Finally, please make sure to mark your calendars for parent teacher conferences, which will be held on November 20 and 21. You may schedule conferences through Skyward beginning November 6.

As we head into the back half of the first semester, we look forward to seeing all of you on the hill. Please join us for the many activities and events that will be taking place throughout the winter months.

As always, It's GREAT to be a ROCKET!
