If granted a parking spot, students must park in their assigned, numbered spot for the remaining school year. Parking Permits must be displayed from the inside rear view mirror. Parking permits cannot be shared among students (except siblings when both qualify for a parking permit). Students who need anything from their car during the school day must request permission from the Main Office prior to exiting the building.

Students who are not issued a regular parking permit may be issued a temporary parking permit (maximum of 5 school days per school year) by the Administration when a family emergency or unusual circumstance exists.

Student parking at Central High School is considered a privilege and with parking privileges come certain responsibilities that must be assumed by the student. A student is expected to practice safe driving at all times. Students are expected to be on time to class. Therefore, if a student fails to drive safely, shows patterns of tardiness and/or is otherwise unable to demonstrate mature and responsible behavior at school, on school grounds, or at school activities or events, the student may face disciplinary consequences in addition to the loss of parking privileges. Parking permits can be revoked at any time by the Administration
