

Central High School

Advanced Placement (AP) Night

Parents:

- **Do you have students taking Advanced Placement (AP) courses and you're not sure exactly what that means?**
- **Do you have students taking honors/accelerated classes who are likely to take AP classes in the future?**
- **Do you want to find out how your student can access AP courses, learn more about the AP exams and how your student can earn college credit?**
- **Do you want to find out "what's new" in AP?**

If your answer to any of the above is "yes" then please plan to join some of CHS's AP teachers with Rachel Rodriguez, School Counselor and AP Coordinator, for an informative evening regarding CHS's Advanced Placement Program.

Thursday, December 13th, 6PM
Central High School Auditorium
