Well, September has come and gone and nobody really knows where it went! As a school, we've been able to enjoy some major successes this year already, both in and out of the classroom. We are anticipating we will see some more of these great things from our students in October as well.

This week marks Homecoming 2019! Our students have been eagerly awaiting this week and are set to have a great time during all of the special homecoming events. Remember, we are hosting our dance on Saturday and doors open at 6:30 p.m. We hope to see big crowds out to cheer on our Rocket athletes this week! One more point of emphasis, we no longer host a toilet papering event at the high school. Given the concerns related to vandalism and safety, we have decided to forego this tradition. Parents, please help us keep our building looking nice and our students safe by not allowing your kids to toilet paper the school during this week.

Our primary academic focus in the month of October will include the following: continued development and analysis of our Academic Advisory program, kicking off our scheduling process for the 2020/2021 school year, and making final preparations for our Veteran's Day activity. For detailed information or discussion regarding any of these elements, I encourage you to attend the PPA meetings at which I'd be happy to speak with you and others about any of these or other important topics. PPA meetings are held in the CHS library on the second Thursday of each month at 5:30 p.m.

Finally, I'd like to extend my appreciation to the CHS community for your ongoing support of Central High School. Despite a very short summer, the completion of several construction related projects, and the road construction at Plato and Rt. 47, the community has made the necessary adjustments to help get the 2019/2020 school year off to a fantastic start!

Thank you to the entire CHS community for your continued support of our school. It's always a great day to be a ROCKET!

**Monday- Mr. Melvin A-EL
Wednesday- Ms. Ginter LEEG-RO
Thursday - Mrs. Marciniak RU-Z
Friday- Ms. Tauer EM- LEE**

**October Calendar subject to change and students will be notified*

What you need to know...

Central Community Unit School District 301 will destroy student temporary records from the graduating classes of 2013 and 2014 and prior of students who graduated, transferred or otherwise permanently withdrew from Central School District. If a parent or student wants those records, they should call the Central High School Registrar's (847-464-6030) office prior to Oct. 31, 2019.

From the Health Office:

Each year it is our goal to ensure every student in our school is safe. CMS has several students with various food allergies. Please take a few moments to discuss the following with your child:

- Do not offer, share, or exchange food with other students at school
- Hand washing with soap and water, especially after eating, is necessary to decrease the chance of cross-contamination
- Please look for postings outside of classrooms alerting you to allergies present in the class. We kindly request you not bring these foods in the classroom.

Seniors Immunization-Meningitis

- **Due October 1-** *repercussion is exclusion from school*

Complete Freshman Physical

- **Due October 1-** *repercussion is exclusion from school*
- Must be signed and dated by physician.
