## THE PRINCIPAL'S MESSAGE

The CHS calendar was off to a later start than we had anticipated. That said, we are thrilled to be up and running. We are happy to welcome all of our new students to Rocket Hill and hope that they are all able to capitalize on a great start to 2020-2021. We want to thank all of our staff and community members who worked together to make reopening schools a reality. It's been a long time, but it is absolutely great to see our Rockets back home! It's also exciting to welcome all of our new Rockets!

This year, Back to School Night (Open) house will be conducted virtually. After teachers have had a few days to get re-acclimated to school and taking care of students, they will be posting a recording to their Canvas pages. Here, parents will be able to hear all about the courses which their child(ren) are taking. This will be the same type of information parents would normally receive, albeit in a virtual format. This will also help to accommodate parents by allowing them to view this material on their own schedule.

We will work through the first month of school and then begin to look at scheduling for the second semester and for the 2021-2022 school year. More to come on these items.

In addition to phone calls and emails, the CHS team communicates on the [Central High School website](#). Also, follow some of our CHS Twitter handles:

Student Services Department	@301rockets
CHS Rocket Athletics	@AthleticsRocket

In closing, please do not hesitate to communicate with us during the semester. All of us are learning how to interact and engage in school in very different ways. We are figuring this out together and we will partner to make sure the Central High School experience is positive and meaningful for all of our students. As always, teachers are a great place to start and a resource for answers. For the rare occasion that our teaching staff are unable to help, please contact a department chair or an administrator.
