The month of February is a very busy time at Central High School! We now begin splitting our attention between closing out the 2020-2021 school year and planning for the 2021-2022 school year. With the recent onset of some inclement weather, we encourage our student drivers to allow for more time to arrive to school safely in the morning. So far, we have used one emergency day due to weather so our last day of school will be June 4. Hopefully, the weather will break in our favor the rest of the way.

In other school business, the scheduling season is well underway for the upcoming school year. All 8th-11th grade students have completed their course requests with the CHS school counseling staff. It is important to remember that course requests are not guaranteed; however, the scheduling team makes an attempt to meet as many of the student requests as possible. Over the next two months our team will begin to build a master schedule and then to fill student schedules. Students will have the months of April and May to see their counselors should they have any questions or concerns about their schedules.

We are excited that our student athletes will be given the opportunity to compete this spring. If you have a student athlete, please be on the lookout for frequent updates from Athletic Director Diversey. Also, we are very excited for our spring play, *Clue: Onstage!*, on April 8-11. The show will be made available to our audience to stream virtually. We are so excited to see the creative work of our student performance and theater arts team!

We want to take this opportunity to thank all our CHS students for hanging in there during this difficult year. You are off to a great start this second semester and we look forward to you finishing the year strong. Your perseverance has really been inspiring!

# Save the Date

Central High School is proud to present

## ***Clue: Onstage!***

(High School Edition/Safe at Home Edition)

If you have ever wondered who was in the Billiard Room with the lead pipe or in the study with the rope, then this is the show for you! Join the cast of CHS Theatre for a fun whodunnit full of mystery and suspense - virtual style. *Clue: Onstage!* will be available to stream On Demand April 8-11, 2021. Information regarding tickets will be available in mid-March. Stay tuned for more information and “Let the games begin!”

# WHAT YOU NEED TO KNOW!

If you arrive at CHS and need to enter the building, you will be required to self-certify before you are allowed entry. To self-certify, you can either use the camera on your phone or a QR reader app with the QR code posted in the foyer and a form will pop up. Once you answer the questions on the form, hit submit and we can then allow you entry. This does not take the place of needing your driver license once you enter.

CHS alumni now order transcripts directly from our website. Click on this link for transcripts: <https://chs.central301.net/transcripts/>

Current students should still use Naviance for transcripts:
