

# CHS NEWSLETTER

## THE PRINCIPAL'S MESSAGE

Spring is right around the corner with spring break beginning on March 29. We're hoping the worst of the winter weather is over at this point, however we want to still encourage our students, staff and parents to take all necessary precautions in the event of bad weather. The last day of school will be on June 4 pending no further emergency closures. If additional emergency days are used, we will adjust the calendar accordingly.

Spring parent teacher conferences will be held on March 18 from 4:00-8:00 p.m. Teachers will be reaching out to parents for whom they would like to schedule a conference. On March 19th, students will have a half day of school with a release time of 10:30 a.m.

As we move into the spring testing season, please be aware of the mandated testing that will occur. All juniors will take the ISA (Illinois Science Assessment) during the week of April 5th. All Juniors will take the SAT on April 13. Freshman and sophomores will be required to take the PSAT; however the testing schedule for PSAT is slightly more flexible so we are still working on selecting a date and time frame that is best for our students. Once we make a final decision on the PSAT dates, we will communicate them to families.

We are in the process of finalizing plans for graduation. More information regarding the specific details will be forthcoming. We are anticipating that Covid mitigations will still be in place, so we are working on our plan to accommodate our seniors and families. Once we have a firm date for graduation, we will begin planning for end of the year activities. Stay tuned for more end of the year information.

With an eye on the 2020/2021 school year, the CHS counselors have been busy finalizing student schedules. Please continue to keep an eye out for an e-blast from the CHS student services team for updates regarding scheduling as well as registration. This will be important as students must be registered in order to view their schedule for next year. More to follow.

Thank you to the entire CHS community for your continued support. We look forward to an exciting end of the school year.

# Save the Date

Central High School is proud to present

## ***Clue: Onstage!***

(High School Edition/Safe at Home Edition)

If you have ever wondered who was in the Billiard Room with the lead pipe or in the study with the rope, then this is the show for you! Join the cast of CHS Theatre for a fun whodunnit full of mystery and suspense - virtual style. *Clue: Onstage!* will be available to stream On Demand April 8-11, 2021. Information regarding tickets will be available in mid-March. Stay tuned for more information and “Let the games begin!”

# WHAT YOU NEED TO KNOW!

If you arrive at CHS and need to enter the building, you will be required to self-certify before you are allowed entry. To self-certify, you can either use the camera on your phone or a QR reader app with the QR code posted in the foyer and a form will pop up. Once you answer the questions on the form, hit submit and we can then allow you entry. This does not take the place of needing your driver license once you enter.

CHS alumni now order transcripts directly from our website. Click on this link for transcripts: <https://chs.central301.net/transcripts/>

Current students should still use Naviance for transcripts:
