## THE PRINCIPAL'S MESSAGE

May brings us to that time of year during which we will prepare to launch the Class of 2021 on the next phase of their journeys. We are proud of our Rocket Seniors and wish them great fortune as they begin their postsecondary and career paths.

I would be remiss if I didn't acknowledge the sacrifice that has been made by this very special class. The Covid pandemic has jolted the entire world and has given society much to reflect on when considering what is important in life. The class of 2021, despite their age, has been asked to sacrifice major experiences for the benefit of the community. I feel that we owe them a sense of gratitude for this sacrifice and am proud of the resilience they have continued to show throughout this difficult time. While there is definitely a sense of grief for what they have missed out on, I would also assert that the future is definitely brighter. Students of the Class of 2021 will undoubtedly become the leaders of this brighter future, which is something to be optimistic about.

As we close out the 2020-2021 school year, here are some important dates that you will want to keep in mind...

- AP Testing – May 3 through May 17
- Senior Gala – May 8, 7:00 p.m.
- Spring Concert Series – May 12
- Working (Streaming) – May 14 through 16
- Senior Awards – May 18, 6:00 p.m.
- Graduation – May 27, 6:00 p.m.

# End of the Year “411” from the Health Office...

## Immunization Requirements

All seniors are **required** to have a Meningitis (MCV) vaccination. See district website for ALL requirements. <http://www.central301.net/health-services/>

While COVID vaccines are **NOT** required it would be useful to have on file in final transcripts for college and any issues with exposure and quarantine situations for upcoming school years.

## Physical Exam Requirements

All freshman and new students must have a complete Illinois State Physical Exam. Exam forms can be found on the district website. <http://www.central301.net/health-services/>

## Individual Health Plan

For those students with Chronic Health Conditions please go to the district website under Health services to find your students appropriate Health Plan (Asthma, Diabetes, Anaphylaxis/Allergy, Heart and Seizure), print, complete and return to school. <http://www.central301.net/health-services/> If your student has a condition that does not have a standard health plan please contact the Nurse before the end of the school year (I am not available in summer)

## Medications

Students are NOT allowed to carry medications on their person, **BUT with the proper forms, filled out by their doctors and parents, meds can be kept in the Nurse’s Office.** This applies to all prescriptions as well as over the counter medications. With the goal of keeping students in school, we can keep medications such as Ibuprofen, Tylenol, menstrual medication, Tums, allergy meds, etc with the proper forms and medication (in original bottle) provided by you, in the Nurse’s Office. Forms available at <http://www.central301.net/health-services/>

## Inhalers & EpiPens

If your child is going to be carrying his or her own inhaler or EpiPen, be sure that there is a Documentation and “Self Administration” Form on file in the Nurse’s office. While students are permitted to carry inhalers and EpiPens for their use, there must be appropriate records of the doctor’s order for the use. <http://www.central301.net/health-services/>

*Please remember to pick up any medication from my office by June 4 -expired meds will be disposed*

As always, feel free to call the health office with any questions.

Hello Central Staff and Families,

As we all have heard the **amazing Teresa Cinquegrani** is retiring at the end of this school year. We are **SO** sad to see her go, but also **incredibly** excited for her as she is moving on to her next adventure!

We are looking for any staff, students, and parents in the community to **create a short video** sending Teresa **well wishes** on her **next journey**. We are asking that the video is no longer than 45 seconds - 1 minute in length. We will present this video to her at her end of the year **retirement gathering**. Your video can be emailed to Lauren Ferry at **[lauren.ferry@central301.net](mailto:lauren.ferry@central301.net)** and are due no later than **May 19th**.

Thank you for your help making this a **special sendoff** for our **good friend and colleague!**

# WHAT YOU NEED TO KNOW!

If you arrive at CHS and need to enter the building, you will be required to self-certify before you are allowed entry. To self-certify, you can either use the camera on your phone or a QR reader app with the QR code posted in the foyer and a form will pop up. Once you answer the questions on the form, hit submit and we can then allow you entry. This does not take the place of needing your driver license once you enter.

CHS alumni now order transcripts directly from our website. Click on this link for transcripts: <https://chs.central301.net/transcripts/>

Current students should still use Naviance for transcripts:
